You are requested to complete, date and sign the accompanying proxy and return it promptly to the Corporation in the enclosed envelope. The proxy may be revoked at any time before it is voted by written notice to the Corporation prior to the start of the meeting, and any shareholder attending the meeting may vote in person whether or not he has previously submitted a proxy. Where no instructions are indicated, proxies will be voted FOR the election of the fifteen nominees for directors, and FOR the ratification of the appointment of Krouse, Kern & Co., Inc. as the independent public accountants for the calendar year 1998.

The Board of Directors has fixed the close of business on December 31, 1997 as the record date for the determination of shareholders who are entitled to notice of and to vote at the meeting. The transfer books of the Corporation will not be closed.

On the record date, there were outstanding 1,300,000 shares of the Corporation's common stock, without par value ("Common Stock"), the holders of which are entitled to one vote per share.

Other rights of a shareholder are:

A shareholder may

- Abstain from voting on directors as a whole
- Abstain from voting on other proxy matters
- Abstain from voting for one or more nominees
- Approve each proxy matter
- Disapprove each proxy matter
- Vote for or against each nominee without having its proxy ignored

The laws of Ohio under which the Corporation is incorporated provide that, if notice in writing is given by any Shareholder to the President, Vice President or the Secretary of the Corporation not less than 48 hours before the time fixed for holding a meeting of Shareholders for the purpose of electing Directors, that he desires that the voting at that election shall be cumulative, and if an announcement of the giving of such notice is made upon the convening of the meeting by the Chairman or Secretary or by or on behalf of the Shareholder giving such notice, each Shareholder shall have the right to cumulate such voting powers as he possesses in voting for Directors.

This Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders and Proxy are being mailed to the Corporation's shareholders on or about March 9, 1998.

ELECTION OF DIRECTORS

The Code of Regulations of Farmers & Merchants Bancorp, Inc. provides that the number of Directors to be elected at the Shareholder Meeting will be determined by the vote of the Shareholders, but shall not be less than nine or greater than twenty. Currently, the number of Directors is set at fifteen.

Fifteen Directors of the Corporation are to be elected at the meeting. Each such Director will be elected to serve in accordance with the By Laws of the Corporation until the next annual meeting of shareholders and until his successor is elected and qualified. The favorable vote of holders of a majority of the shares of Common Stock represented at the meeting, in person or by proxy, is required to elect any nominee for director.

It is the intention of the individual named in the enclosed form for proxy to vote such proxy for the election of directors of persons hereinafter named. Management has no reason to believe that any of the nominees for the office of director will not be available for election as a director. MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The directors of Farmers & Merchants Bancorp, Inc. are also the directors of The Farmers & Merchants State Bank and Farmers & Merchants Life Insurance Co.

The Board of Directors met twenty-six times during the 1997 calendar year. All current directors of the Corporation attended at least seventy-five percent of the meetings of the Board. Average attendance at Board meetings held during the year was ninety percent.

The Board of Directors of the Bank subsidiary, The Farmers & Merchants State Bank has an Audit Committee composed of Charles Lugbill, Director and Chairman of the Board, Eugene Bernath, Director and Vice President, Maynard Sauder, Director and Vice Chairman, James Provost, Director, and Kent Roth, Internal Auditor. The function of the Audit Committee is to review the adequacy of the Company's system of internal controls, to investigate the scope and adequacy of the work of the Company's independent public accountants and to recommend to the Board of Directors a firm of accountants to serve as the Company's independent public accountants. The audit committee met three times during the 1997 year.

The Board of Directors of Farmers & Merchants Bancorp, Inc. does not have a standing nominating or compensation committee or committees performing similar functions. The Board of Directors of the Bank's subsidiary, however, does have an Executive Salary Committee which is responsible for establishing salary levels for its executive officers. This committee is composed of Maynard Sauder, Eugene Bernath, Charles Lugbill, Jack Johnson and Joe Crossgrove. Joe Crossgrove does not participate in the establishment of his salary.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

The executive officers of the Company receive no compensation from the Company for services rendered as executive officers of the Company. Instead, they are paid by the Company's bank subsidiary, The Farmers & Merchants State Bank, for services rendered in their capacity as executive officers of the Company and its subsidiaries. The Company and its other non-bank subsidiaries reimburse the Bank subsidiary for their share of applicable payroll costs. Decisions on compensation are made by the Executive Salary Committee of The Farmers & Merchants State Bank.

In determining the compensation of the executive officers of the Company's subsidiaries, the subsidiaries have sought to create a compensation program that relates compensation to financial performance, recognizes individual contributions and achievements, and attracts and retains outstanding executive officers.

Each year, the Executive Salary Committee of The Farmers & Merchants State Bank sets a salary for its executive officers by reviewing the performance of each officer, as well as, by making compensation comparisons with banks of similar size in order to determine whether such salary levels are adequate to attract and retain qualified executive officers. Officers, who are also members of the Board of Directors, do not participate in the voting as it pertains to compensation matters.

There are two components of the compensation program for all executive officers of the Company's subsidiary, The Farmers & Merchants State Bank, a base salary component and a bonus component, which is applicable to all employees, set by the Board of Directors in December of each year, and paid in that year.

The following table shows, for fiscal years ended December 31, 1997, 1996 and 1995, the cash compensation paid by the Company and its subsidiaries, as well as, certain other compensation paid or accrued for those years, to Joe E. Crossgrove, the Executive Vice President and Treasurer of Farmers & Merchants Bancorp, Inc., President and Chief Executive Officer of The Farmers & Merchants State Bank, and Vice President of Farmers & Merchants Life Insurance Company. The holding company has no employees; all compensation was paid by the bank subsidiary. None of the other executive officers of the Company were paid salary and bonus for the 1997 fiscal year in an amount which exceeded \$100,000.

Name and Principal Position -----	Year ----	Base Salary -----	Bonus -----	Other Annual Compensation -----
Joe E. Crossgrove	1997	\$ 103,267	\$19,410	\$13,774
Executive Vice	1996	101,485	14,986	11,326
President & Cashier	1995	99,300	15,102	10,618

Salary includes directors' fees of \$8,400 for 1997, 1996 and 1995.

Other compensation is the annual cost attributable to contributions to the defined benefit pension plan and the 401(k) profit sharing plan.

Directors of The Farmers & Merchants State Bank are compensated at a rate of \$300 each for each meeting attended, plus a bonus of \$600. Directors receive no compensation for services performed while serving on special committees.

No incidental benefits accrue to officers which, in the opinion of management, are not job related, normal and appropriate in connection with the conduct of the bank subsidiary's business affairs.

There are no long-term incentive programs or stock option programs in effect.

RETIREMENT INCOME PLAN

The Farmers & Merchants State Bank maintained a trustee retirement income plan covering all employees who had attained the age of 21 and completed six months of service on a full-time basis. The plan was a defined benefit plan. The non-retired group had an average age of 36 years and an average age at hire of 30 years, and an assumed retirement age of 65 as of August 1, 1995.

The plan called for benefits to be paid to eligible employees at normal retirement age at a monthly benefit equal to 60% of average monthly compensation less 50% of monthly Primary Social Security Amount, reduced prorata for service less than 30 years. In no event would the monthly benefit be less than the benefit accrued as of July 31, 1983. Benefits were also available for early retirement at age 60 with 15 years of service: 1) payable at age 65 equal to the accrued normal retirement pension using years of service and average monthly compensation at the time of early retirement and assuming the employee received no further compensation after retirement to calculate the Primary Social Security Amount; or 2) an immediate pension equal to the one above but reduced 5/9% for each month prior to age 65 that the pension commences. The plan also had provisions for termination benefits and pre-retirement death benefits.

The normal form of benefit payment was a 50% Joint and Survivor form if married and a life with a

minimum of 120 monthly payments guaranteed annuity form otherwise.

Plan assets consisted solely of U.S. Government securities.

During 1996 the Bank terminated the defined benefit pension plan and replaced it with a 401(k) profit sharing plan. Upon approval from the Internal Revenue Service, the remaining assets of the defined benefit pension plan which were in excess of future benefit obligations were allocated to participants by increasing accrued pension benefits before plan termination. All assets were transferred to the 401(k) profit sharing plan.

INTEREST OF MANAGEMENT AND OTHERS IN CERTAIN TRANSACTIONS

Directors and principal officers of the bank subsidiary and their associates were customers of, and had transactions with, the bank subsidiary in the ordinary course of business during the year 1997. The maximum aggregate amount of loans to directors and principal officers of the bank subsidiary during 1997 was in the amount of \$14.4 million. This maximum amount occurred in June, 1997. The December 31, 1997 balance of director and principal officer loans in the aggregate of \$6.1 million amounts to 16.2% of the equity capital of the bank subsidiary at that date. As of the date hereof, all of such loans were performing loans.

RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors intends to reappoint the firm of Krouse, Kern & Co., Inc., independent certified public accountants, to be auditors of the Corporation and its subsidiaries for the calendar year ending December 31, 1998, and recommends to shareholders that they vote for ratification of that appointment. Although it is not required to do so, the Board of Directors is submitting the appointment of Krouse, Kern & Co., Inc., for ratification by shareholders in order to ascertain the views of the shareholders. If such appointment is not ratified, the Board will consider, but not necessarily select other auditors.

They will also be available to respond to appropriate questions.
