PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS

APRIL 3, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Farmers & Merchants Bancorp, Inc., an Ohio corporation ("Corporation"), to be used at the Annual Meeting of Shareholders of the Corporation, to be held at the Founders Hall, located at Sauder Village, State Route 2, Archbold, Ohio 43502 on April 3, 2004 at 1:00 P.M., EST, and at any adjournments thereof, pursuant to the accompanying Notice of Meeting.

GENERAL INFORMATION ABOUT THE MEETING AND VOTING SECURITIES AND PROCEDURES

WHO MAY VOTE AT THE MEETING?

The Board of Directors has fixed the close of business on February 27, 2004 as the record date for the determination of shareholders who are entitled to notice of and to vote at the meeting. The transfer books of the Corporation will not be closed. Subject to your right to vote cumulatively in the election of directors if properly implemented, you are entitled to one vote for each share of common stock you held on the record date, including shares:

- held directly in your name; and
- held for you in an account with a broker, bank or other nominee (shares held in "street name").

HOW MANY SHARES MUST BE PRESENT TO HOLD THE MEETING?

A majority of Farmers & Merchants Bancorp, Inc. outstanding shares of common stock as of the record date must be present at the meeting in order to hold the meeting and conduct business. This is called a quorum. On the record date there were 1,300,000 shares of the Corporation's common stock, without par value ("Common Stock") outstanding, the holders of which are entitled to one vote per share, subject to the right to vote cumulatively in the election of directors if properly implemented. Your shares are counted as present at the meeting if you:

- are present and vote in person at the meeting; or
- have properly submitted a proxy card prior to the meeting.

WHAT PROPOSALS WILL BE VOTED ON AT THE MEETING?

There is only one proposal scheduled to be voted on at the meeting, the election of fourteen (14) directors.

WHO IS REQUESTING MY VOTE?

The solicitation of proxies on the enclosed form is made on behalf of the Board of Directors of the Corporation and will be conducted primarily through the mail. Please mail your completed proxy in the envelope included with these proxy materials. In addition to the use of the mail, members of the Board of Directors and certain officers and employees of the Corporation or its subsidiaries may solicit the return of proxies by telephone, facsimile, and other electronic media or through personal contact. Except as noted below in regard to voting of shares held in street name, proxies may not be returned through the Internet. The Directors, officers and employees that participate in such solicitation will not receive additional compensation for such efforts, but will be reimbursed for out-of-pocket expenses. The cost of preparing, assembling and mailing this Proxy Statement, the Notice of Meeting and the enclosed proxy will be borne by the Corporation.

HOW MANY VOTES ARE REQUIRED TO APPROVE EACH PROPOSAL?

Directors will be elected by a plurality of the votes cast at the Annual Meeting. This means that the 14 nominees who receive the largest number of "FOR" votes cast will be elected as directors.

HOW ARE VOTES COUNTED?

A shareholder may

- Vote for all of the nominees for director
- Withhold votes on all of the nominees for director
- Abstain from voting for one or more nominees
- Approve each proxy matter
- Disapprove each proxy matter

The laws of Ohio under which the Corporation is incorporated provide that, if notice in writing is given by any Shareholder to the President, Vice President or the Secretary of the Corporation not less than 48 hours before the time fixed for holding a meeting of Shareholders for the purpose of electing Directors, that he desires that the voting at that election shall be cumulative, and if an announcement of the giving of such notice is made upon the convening of the meeting by the Chairman or Secretary or by or on behalf of the Shareholder giving such notice, each Shareholder shall have the right to cumulate such voting powers as he possesses in voting for Directors. Cumulative voting rights allow shareholders to vote the number of shares owned by them times the number of directors to be elected and to cast such votes for one nominee or to allocate such votes among nominees as they deem appropriate. Shareholders will not be entitled to exercise cumulative voting unless at least one shareholder properly notifies the Company of their desire to implement cumulative voting at the Annual Meeting. The Company is soliciting the discretionary authority to cumulate votes represented by proxy, if such cumulative voting rights are exercised.

HOW DOES THE BOARD RECOMMEND THAT I VOTE?

The Board of Directors recommends that you vote "FOR" each of the director nominees.

HOW DO I VOTE MY SHARES WITHOUT ATTENDING THE MEETING?

Whether you hold shares directly or in street name, you may direct your vote without attending the Annual Meeting. If you are a shareholder of record, you may vote by granting a proxy as follows:

- By Mail - You may vote by mail by signing and dating your proxy card and mailing it in the envelope provided. You should sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example as guardian, trustee, custodian, attorney or officer of a corporation), you should indicate your name and title or capacity.

For shares held in street name, you should follow the voting instructions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in some cases, submit voting instructions by telephone or the Internet. If you provide specific voting instructions by mail, telephone, or Internet, your broker or nominee will vote your shares as you have directed.

HOW DO I VOTE MY SHARES IN PERSON AT THE MEETING?

Even if you plan to attend the meeting, we encourage you to vote by mail so your vote will be counted if you later decide not to attend the meeting.

If you choose to vote at the Annual Meeting:

- If you are a shareholder of record, to vote your shares at the meeting you should bring the enclosed proxy card and proof of identity.
- If you hold your shares in street name, you must obtain a proxy in your name from your bank, broker or other holder of record in order to vote at the meeting.

Bring the proxy (for record holders) or proof of beneficial ownership (for street name holders) such as a recent brokerage statement or a letter from your bank or broker, and proof of identity to the meeting.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY?

It likely means you hold shares registered in more than one account. To ensure that all of your shares are voted, sign and return each proxy.

MAY I CHANGE MY VOTE?

Yes. The proxy may be revoked at any time before it is voted by written notice to the Corporation prior to the start of the meeting, and any shareholder attending the meeting may vote in person whether or not he has previously submitted a proxy. Where no instructions are indicated, proxies will be voted FOR the election of the fourteen nominees for directors..

WHEN WILL THE PROXY AND ANNUAL REPORT BE MAILED TO SHAREHOLDERS?

This Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders and Proxy are being mailed to the Corporation's shareholders on or about March 4, 2004.

ELECTION OF DIRECTORS AND INFORMATION CONCERNING DIRECTORS AND OFFICERS

The Code of Regulations of Farmers & Merchants Bancorp, Inc. provides that the number of Directors to be elected at the Shareholder Meeting will be determined by the vote of the shareholders, but shall not be less than nine or greater than twenty. Fourteen Directors of the Corporation are to be elected at the meeting. Each such Director will be elected to serve in accordance with the Code of Regulations of the Corporation until the next annual meeting of shareholders and until his successor is elected and qualified. Directors will be elected by a plurality of the shares of Common Stock represented at the meeting, in person or by proxy.,

It is the intention of the individuals named in the enclosed form for proxy to vote such proxy for the election of directors of persons hereinafter named. Management has no reason to believe that any of the nominees for the office of director will not be available for election as a director. However, should any of them become unwilling or unable to accept nomination for election, it is intended that the individuals named in the enclosed proxy may vote for the election of such other person or persons as management may recommend.

IN 2003	29	7	5

(1) Mr. Everhart was appointed to the Board of Directors by the Board of Directors to fill the vacancy created through the retirement of Mr. Julian Giovarelli in November 2003.

(2) Mr. Sauder retired from the Board of Directors on January 30, 2004.

The directors of Farmers & Merchants Bancorp, Inc. are also the directors of The Farmers & Merchants State Bank and Farmers & Merchants Life Insurance Co., wholly owned subsidiaries of the Corporation.

During 2003, each director attended 75% or more of the total meetings of the Board and the committees on which they served (held during the period that each served as a director) of the Corporation and Farmers & Merchants State Bank, the primary operating subsidiary of the Corporation, except for James C. Saneholtz and Steven J. Wyse who attended 55% and 72%, respectively, of the Board and committee meetings that they were scheduled to attend.

As noted below under "Corporate Governance", the Corporation now has an audit, compensation and nominating and corporate governance committee. During 2003, the Board of Directors of Corporation did not have a standing nominating committee or any other committee performing similar functions. Functions normally performed by a corporation's nominating committee were performed by the Corporation's Board of Directors acting as a whole. The Corporation did establish a nominating committee in 2004 as described below under "Corporate Governance." Because the nominating and corporate governance committee was created on February 13, 2004, the members of that committee have not yet been identified and the committee has not yet held a meeting.

Directors of The Farmers & Merchants State Bank are each compensated at a rate of \$300 for each meeting of the Board of Directors attended, and in 2003 each received a bonus of \$600. Directors receive no additional compensation for services performed while serving on special committees.

The Board of Directors of the Corporation's bank subsidiary has an Executive Salary Committee that also acts as the Compensation Committee for the Corporation, which is responsible for establishing salary levels and benefits for its executive officers. In determining the compensation of the executive officers of the Company's subsidiaries, the subsidiaries have sought to create a compensation program that relates compensation to financial performance, recognizes individual contributions and achievements, and attracts and retains outstanding executive officers.

During 2003, the Corporation had an Audit Committee composed of Eugene Bernath, Director and Chairman of the Board, Maynard Sauder, Director and Vice Chairman, and Directors Julian Giovarelli, Merle Short and, after November 13, 2003 when he was appointed to the Board of Directors, Steve Everhart. Mr. Giovarelli retired from the Board of Directors in November 2003 and was replaced by Mr. Everhart. Mr. Sauder retired from the Board of Directors on January 30, 2004 and has been replaced on the Audit Committee as of February 13, 2004 by Director Dexter Benecke. The function of the Audit Committee was to review the adequacy of the Corporation's system of internal controls, to investigate the scope and adequacy of the work of the Corporation's independent public accountants and to recommend to the Board of Directors a firm of accountants to serve as the Corporation's independent public accountants.

CORPORATE GOVERNANCE

The Corporation recently reviewed its corporate governance policies as a matter of good business practices and in light of the passage of the Sarbanes-Oxley Act of 2002 ("Sarbanes Oxley") and regulations promulgated by the Securities and Exchange Commission ("SEC") and listing standards adopted by NASDAQ. While the corporate governance requirements set forth in the NASDAQ listing standards are not applicable to the Corporation because it is not listed on NASDAQ, the Corporation decided to implement most of those corporate governance policies to encourage appropriate conduct among the members of its Board of Directors, officers and employees and to assure that the Corporation operates in an efficient and ethical manner.

In this regard, the Audit Committee of the Board of Directors and the Board of Directors of the Corporation met on February 13, 2004 with outside counsel to the Corporation to consider a number of policies, charters and guidelines. After significant discussion, the Board of Directors adopted Corporate Governance Guidelines for the Corporation. In addition, the Corporation adopted charters for the Audit Committee (attached hereto as Appendix A), the Compensation Committee (attached hereto as Appendix B) and the newly created Nominating and Corporate Governance Committee (attached hereto as Appendix C). The charters for these three committees are designed to help the committees function more efficiently and with greater independence from the Board of Directors, which was one of the primary goals in the adoption of Sarbanes-Oxley. The members of each of these three committees are currently, and under the terms of the respective charters, will continue to be "independent" pursuant to standards adopted by NASDAQ. Further, the Board of Directors has determined that under the NASDAQ "independence" standards, a majority of the members of the Board of Directors is currently independent.

Finally, the Board of Directors adopted a Code of Business Conduct and Ethics (the "Code") at the meeting. While Sarbanes-Oxley mandates the adoption of a code of ethics for the most senior executive officers of all public companies, the Code adopted by the Corporation's Board of Directors is broader in the activities covered and applies to all officers, directors and employees of the Corporation and the Bank. The administration of the Code has been delegated to the Audit Committee of the Board of Directors, a Committee comprised entirely of "independent directors." The Code addresses topics such as compliance with laws and regulations, honest and ethical conduct, conflicts of interest, confidentiality and protection of Corporation assets, fair dealing and accurate and timely periodic reports, and also provides for enforcement mechanisms. The Board and management of the Corporation intends to continue to monitor not only the developing legal requirements in this area, but also the best practices of comparable companies, to assure that the Corporation maintains sound corporate governance practices in the future.

A copy of the Corporation's Code is available on the website of the Bank (www.fm-bank.com). In addition, a copy of the Code is available to any shareholder free of charge upon request. Shareholders desiring a copy of the Code should address written requests to Mr. Joe E. Crossgrove, President, Chief Executive Officer and Treasurer of Farmers & Merchants Bancorp, Inc., 307-11 North Defiance Street, Archbold, Ohio 43502, and are asked to mark Code of Business Conduct and Ethics on the outside of the envelope containing the request.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors submits the following report on the performance of its responsibilities for the year 2003. The purposes and responsibilities of the Committee are elaborated in the Committee charter, which was originally adopted by the Board of Directors on February 15, 1991. In connection with certain corporate governance enhancements agreed to in February 2004, the Board of Directors approved a new Audit Charter. A copy of the revised Audit Charter is attached hereto as Appendix A. The Board of Directors has determined that Steven A. Everhart, one of the members of the Audit Committee, is a "financial expert" as defined under the regulations promulgated under the Sarbanes-Oxley Act discussed above. Mr. Everhart and all of the other members of the Audit Committee have been determined by the Board of Directors to be "independent" under the listing standards adopted by the NASDAQ Stock Market.

Management of the Corporation has primary responsibility for the financial statements and the overall reporting process, including the Corporation's system of internal controls. The independent auditors are responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with auditing standards generally accepted in the United States. This audit serves as a basis for the auditors' opinion in the annual report to shareholders addressing whether the financial statements fairly present the Corporation's financial position, results of operations and cash flows. The Audit Committee's responsibility is to monitor and oversee these processes.

In reviewing the independence of the Corporation's outside auditors, the Committee has received from Plante & Moran, PLLC the written disclosures and letter regarding relationships between Plante & Moran, PLLC and its related entities and the

Corporation and its related entities and has discussed with Plante & Moran, PLLC its independence from the Corporation as required by Independence Standards Board Standard No. 1. As part of this review, the Committee considered whether the non-audit services provided by Plante & Moran, PLLC to the company during 2003 were compatible with maintaining Plante & Moran, PLLC's independence.

In fulfilling its responsibilities relating to the Corporation's internal control, accounting and financial reporting policies and auditing practices, the Committee has reviewed and discussed with management and Plante & Moran, PLLC the Corporation's audited financial statements for 2003. In this connection, the Committee has discussed with Plante & Moran, PLLC its judgments about the quality, in addition to the acceptability, of the Company's accounting principles as applied in its financial reporting, as required by Statement on Auditing Standards No. 61. Based on these reviews and discussions, the Committee recommended to the Board of Directors that the audited financial statements be included in the Corporation's Annual Report on SEC Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

Respectfully submitted by the members of the Audit Committee:

Steven A. Everhart, Chairman
Eugene D. Bernath
Merle J. Short
Dexter L. Benecke

NOMINATIONS FOR MEMBERS OF THE BOARD OF DIRECTORS

As noted above under "Corporate Governance", the Corporation has established a Nominating and Corporate Governance committee. Because the Nominating and Corporate Governance Committee was created on February 13, 2004, the members of that committee have not yet been identified and the committee has not yet held a meeting. The charter for the committee is attached hereto as Appendix C. The Board of Directors intends to appoint only "independent" directors (as defined by NASDAQ) to the committee. The Nominating and Corporate Governance Committee does not yet have a policy regarding the consideration of nominations for directors by shareholders. The committee intends to develop such a policy in the near future and intends to post the policy on the Bank's website for review by shareholders. The Nominating and Corporate Governance Committee will consider nominations from shareholders. Proposed nominations should be addressed to Chairman of the Nominating and Corporate Governance Committee of Farmers & Merchants Bancorp, Inc., 307-11 North Defiance Street, Archbold, Ohio 43502.

The Nominating and Corporate Governance Committee also has been designated by the Corporation's Corporate Governance Guidelines to receive, review and respond, as appropriate, to communications concerning the Corporation from employees, officers, shareholders and other interested parties that such parties want to address to non-management members of the Board of Directors. Shareholders that want to direct such questions to the non-management members of the Board of Directors should address them to the Chairman of the Corporate Governance and Nominating Committee, Farmers & Merchants Bancorp, Inc., 307-11 North Defiance Street, Archbold, Ohio 43502.

The Corporation's Corporate Governance Guidelines also contain a provision stating that it is expected that all member of the Board of Directors shall attend the Annual Meeting of Shareholders. 12 out of the total of 14 members of the Board of Directors attended the 2003 Annual Meeting of Shareholders.

A participant is 100% vested in the participant's deferral contributions and employer matching contributions. A seven-year vesting schedule applies to employer discretionary contributions.

In order to be eligible to participate, the employee must be 21 years of age, have completed six months of service, work 1,000 hours in the plan year and be employed on the last day of the year. Entry dates have been established at January 1 and July 1 of each year.

The plan calls for only lump-sum distributions upon either termination of employment, retirement, death or disability.

There are no long-term incentive programs or stock option programs in effect.

REPORT OF THE COMPENSATION COMMITTEE OF FARMERS & MERCHANTS BANCORP, INC.

Under rules established by the Securities and Exchange Commission (the "SEC"), the Corporation is required to provide certain data and information in regard to the compensation and benefits provided to the Corporation's President and Chief Executive Officer and, if applicable, the four other most highly compensated Executive Officers, whose compensation exceeded \$100,000 during the Corporation's fiscal year. The disclosure includes the use of tables and a report explaining the rationale and considerations that led to fundamental executive compensation decisions affecting such officers. The Compensation Committee of the Corporation has the responsibility of determining the compensation policy and practices with respect to all Executive Officers. At the direction of the Board of Directors, the Compensation Committee of the Corporation has prepared the following report for inclusion in the Proxy Statement.

Compensation Policy. The report reflects the Corporation's compensation philosophy as endorsed by the Compensation Committee. Each year, the Compensation Committee sets a salary for its Executive Officers by reviewing the performance of each officer, as well as, by making compensation comparisons with banks of similar size in order to determine whether such salary levels are adequate to attract and retain qualified Executive Officers. The Compensation Committee determines the level of compensation for all Executive Officers, including Mr. Crossgrove as the President and CEO. Mr. Crossgrove has input into the compensation levels for all Executive Officers, except himself.

There are two components of the compensation program for all Executive Officers of the Corporation's subsidiary, The Farmers & Merchants State Bank, a base salary component and a discretionary bonus component, which is applicable to all employees, set by the Board of Directors in December of each year. The bonus is determined based upon specific goals set for each employee and the return on average assets ("ROA") of the Bank. If the employee meets his or her goal and the ROA exceeds the average ROA of the Bank for the prior 10 years, the employee receives the full bonus amount established. If the ROA is above 1%, but below such 10-year average, a prorated portion of the bonus is paid. No bonus is paid if the Bank's ROA for the applicable year is less than 1% or the employee fails to attain his or her pre-established goals. For non-officer employees, such bonus is paid in December of the applicable year based upon an estimate of the ROA made in November of each year. For officers, the bonus is paid before the end of the first quarter of the following year and is based upon actual ROA, not estimated. The Corporation does not have any employees that are not also employees of the Bank.

The executive compensation program of the Corporation has been designed to:

- - Support a pay-for-performance policy that rewards Executive Officers for corporate performance.
- - Motivate Executive Officers to achieve strategic business goals.
- - Provide competitive compensation opportunities critical to the Corporation's long-term success.

The Compensation Committee approved compensation increases for all Executive Officers of the Corporation during 2003. Executive Officer salary increase determinations are based upon an evaluation of each executive's performance against goals set in the prior year.

The Committee has determined that a significant portion of executive compensation should be payable in an annual bonus which shall be based principally upon the financial performance of the Corporation and that of the individual in attaining his or her established goals.

Respectfully submitted by the Members of the Compensation Committee:

Eugene D. Bernath Jack C. Johnson Dean E. Miller

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2003, the following individuals served as members of the Compensation Committee: Eugene D. Bernath, Jack C. Johnson, Dean E. Miller and Maynard Sauder. Some of the Directors who served on the Compensation Committee, and the companies with which they are associated, were customers of and have had banking transactions with the Bank in the ordinary course of the Bank's business in the past and up to the present time. All loans and commitments for loans included in such transactions were made on substantially the same terms including interest rates and collateral as were prevailing at the time for comparable transactions with other persons. In the opinion of the Board of Directors of the Bank, these loans and commitments for loans do not involve more than a normal risk of collectibility or present other unfavorable features.

The Company and/or the Bank have had, and expect to have in the future, banking transactions in the ordinary course of its business with such directors, and their associates, on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others. It is intended that such transactions will not involve more than the normal risk of collectibility or present other unfavorable features.

PERFORMANCE GRAPH

Below is a line-graph presentation comparing the cumulative total shareholder returns for the Corporation, an index for NASDAQ Stock Market (U.S. Companies) comprised of all domestic common shares traded on the NASDAQ National Market System, an index for financial institutions with total assets greater than \$500 million but less than \$1 billion as compiled by SNL Securities, and the NASDAQ Bank Index for the five-year period ended December 31, 2003. The chart compares the value of \$100 invested in the Corporation and each of the indices.

Previously, the Corporation has presented its performance compared to that of the NASDAQ National Market System and the SNL Securities Index for financial institutions with greater than \$500 Million but less than \$1 Billion in total assets. Because the information for the NASDAQ Bank Index is more readily available and because management of the Corporation believes that the NASDAQ Bank Index provides a more comprehensive view of the banking industry as a whole, the Corporation has decided to use the NASDAQ Bank Index in future years. For comparison purposes, both the old and new indices are shown in the table below.

The Board of Directors recognizes that the market price of stock is influenced by many factors, only one of which is performance. The stock price performance shown on the graph is not necessarily indicative of future performance.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Directors and principal officers of the bank subsidiary and their associates were customers of, and had transactions with, the bank subsidiary in the ordinary course of business during the year 2003. All loans and commitments included in such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and, in the opinion of the Board of Directors and the Bank, do not involve more than normal risk of collectibility or present other unfavorable features. As of the date hereof, all of such loans were performing loans.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's officers and Directors, and persons who own more than ten percent of a registered class of the Corporation's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, Directors and greater than ten percent shareholders are required by SEC regulations to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on review of the copies of such forms furnished to the Corporation or written representations that no such forms were required, the Corporation believes that, except as noted below, during 2003 all Section 16(a) filing requirements applicable to its officers and Directors were complied with. The Corporation has no shareholders that are ten percent beneficial owners. During 2002 and 2003, the SEC implemented regulations that require the filing of Form 4s within 2 days of the transaction to which the filing relates. The regulations also require that all forms to be filed under Section 16(a) be filed electronically with the SEC. Because of the shortened time frame and need for electronic filing, there were more late filings by persons affiliated with the Corporation than have occurred in the past. The following information notes all late filings of Forms 3 and 4 by persons who were directors or executive officers of the Corporation in 2003: (i) Steven A. Everhart failed to timely file one Form 3, his initial report of ownership; (ii) Maynard Sauder, a former director of the Corporation, failed to timely file one Form 4 regarding the sale of shares; (iii) Eugene D. Bernath failed to timely file one Form 4 regarding the purchase of shares; (iv) David P. Rupp, Jr. failed to timely file one Form 4 regarding the purchase of shares; (v) Steven J. Wyse failed to timely file one Form 4 regarding the purchase of shares; (vi) Merle J. Short failed to timely file one Form 4 regarding the purchase of shares; (vii) Robert G. Frey failed to timely file one Form 4 regarding the purchase of shares and (viii) Dean E. Miller failed to timely file one Form 4 regarding the purchase of shares. All late forms have since been filed. There were no late Form 5s filed for the year 2003.

INFORMATION CONCERNING INDEPENDENT ACCOUNTANTS

On November 14, 2003 the Audit Committee of the Board of Directors of the Corporation accepted the resignation of Krouse, Kern & Co., Inc. ("Krouse Kern"), as the Corporation's independent public accountant for all periods commencing on or after January 1, 2003. Also on that date, the Audit Committee engaged the firm of Plante & Moran, PLLC, ("Plante & Moran") independent certified public accountants, to be auditors of the Corporation and its subsidiaries for the fiscal year beginning January 1, 2003. Plante & Moran was engaged to provide independent audit services for the Company and its subsidiaries and to provide certain non-audit services including advice on accounting, tax and reporting matters. The Board of Directors expects that a representative of Plante & Moran will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions. The Board of Directors intends to reappoint the firm of Plante & Moran to be auditors of the Corporation and its subsidiaries for the calendar year ending December 31, 2004. The Corporation has been advised by Plante & Moran that no member of that firm has any financial interest, either direct or indirect, in the Corporation or its subsidiaries, other than as a depositor, and it has no connections with the Corporation or its subsidiaries in any capacity other than that of public accountants.

Krouse Kern's report on the consolidated financial statements of the Corporation for the fiscal years ended December 31, 2001 and 2002 did not contain an adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2001 and December 31, 2002, as well as during the subsequent interim period ending on November 14, 2003, there were no disagreements between the Corporation and Krouse Kern on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Krouse Kern, would have caused it to make reference to the subject matter of the disagreement in connection with its reports.

During the Company's two most recent fiscal years ended December 31, 2001, and December 31, 2002, and the subsequent interim period through November 14, 2003, the Corporation did not consult with Plante & Moran regarding any of the matters or events set forth in Item 304(a)(2)(I) and (ii) of SEC Regulation S-K.

The Corporation's independent accountants billed the aggregate fees shown below for audit, financial information systems design and implementation, and other services rendered to the Corporation and its subsidiaries for the year 2003. Audit fees include fees billed in connection with the audit of the Corporation's annual financial statements, as well as fees billed for the review of the unaudited financial statements contained in the Corporation's periodic reports on Form 10-Q, as filed with the Securities and Exchange Commission.

Krouse Kerns and Plante & Moran and its affiliates billed the following amounts to the Corporation and its subsidiaries during

2002 and 2003, respectively for audit, audit related fees, tax fees and all other fees:

	KROUSE KERN - 2002 -----	KROUSE KERN - 2003 -----	PLANTE & MORAN - 2003 -----
AUDIT FEES	\$91,845	\$57,947	\$20,000
AUDIT RELATED FEES	3,625	3,915	4,000
TAX FEES	-0-	3,900	3,000
ALL OTHER FEES	515	-0-	-0-
TOTAL	\$95,985	\$65,762	\$27,000

The Audit Committee of the Corporation considered and concluded that the provision for non-audit services by Plante & Moran, PLLC and its affiliates was compatible with maintaining the independent auditors' independence. The Audit Committee of the Corporation will pre-approve all services to be provided to the Corporation by Plante & Moran. All the services noted above were approved by the Audit Committee.
